About us

Bethany's Community Support and Development Team works to support local people and strengthen communities where the risk of homelessness is a concern.
Our projects are tailored to local needs and delivered in partnership with churches and a range of organisations, helping people develop the skills, confidence and connections needed to build stronger communities.
Our team deliver a range of activities across Edinburgh, providing opportunities for people to learn new skills, share ideas, and access additional support and signposting.
Please get in touch with one of our friendly Community Workers to find out more.

Thanks

Our Community Development work in Edinburgh is made possible thanks to the generous support of many individuals, communities, partner organisations & supporters.
We acknowledge the support of the Scottish Government through the ADP, CYPFEIF & ALEC fund and the Improvement Fund, as well as funding from Garfield Weston, The Lauderdale Trust, Riada Trust, and the Edinburgh Alcohol and Drug Partnership.
